ERASMUS+ INCOMING STUDENT GUIDE Academic year 2021. / 2022.

Welcome to the University of Rijeka - Faculty of Humanities and Social Sciences!

This is a short guide to provide the incoming Erasmus+ students with information regarding their stay in Rijeka and study at the Faculty of Humanities and Social Sciences.

Please note that under COVID-19 pandemic, special orders and guidelines take precedence over these instructions!

1. UPON YOUR ARRIVAL:

So far, you have received an **Acceptance letter** from the University of Rijeka Erasmus+ Office containing all the relevant information. Moreover, you have already submitted your **Learning agreement** (along with possible Learning Agreement changes).

Please note that some courses are **subject to change** due to their inactivity, change of the semester they are held in or the leaves or absences of the professors! For this very reason, you may need to change your Learning agreement. Due to the present COVID-19 conditions all consultations are reduced to a minimum and changes will be done via email.

You will be informed on date, time, and venue of your first arrival to the faculty via email. The Project's Office oversees all Erasmus+ mobility procedures. You will be guided through all the needed procedures by the Head of the office or the other officers.

To become a full FHSS Rijeka student you will need to register. Registration will be done via online form. You will receive an invitation to fill the registration form and upload

needed attachments. Online registration will be opened for one (1) week so you will have sufficient time to obtain everything you need for registration such as OIB number, photos, and payment proof.

Student identity card (X-card)

- Faculty will provide you with the student identity card called X-card;
- X-card proves your student status and enables you a subsidy for meals in students' cafeterias and restaurants, discount for a monthly bus ticket/pass and selected city services;
- the cost of issuing an X-card is 50,00 HRK.

To obtain the X-card first you need to get the OIB (PIN) number at the Croatian Tax Department.

To obtain OIB number you need to:

- Visit and apply for the **Personal Identification Number** (OIB in Croatian) at the Tax Department;
- Bring the original and 1 (one) copy of your **passport** and fill the **form** with required info.

Personal Identification Number (OIB) is issued free of charge and at the same day.

3. STAYING AND STUDYING AT FHSS:

The Academic Year at FHSS Rijeka:

Winter (Autumn) semester:

- Begins in October for freshmen – a week later for sophomores, juniors and seniors;
- Lectures end in January;
- Examination period is in February.

Summer (Spring) semester:

- Begins in March and ends in June;
- Examination period is from mid-June to mid-July;
- Autumn examination period is in September.

Teaching system:

PLEASE NOTE that under COVID-19 pandemic conditions special regime of teaching may be active!

Under normal conditions, students can expect an equal mix of theoretical lectures and practical work, often in the form of seminars that are held for a restricted number of students.

In most study programmes, final assessments take place at the end of the semester. In each of the courses attended, students are required to take written and oral examinations. The final assessment is usually based on student's performance recorded during the semester.

The grading system in Croatia ranges from 1 to 5 (1 being lowest and 5 being the highest grade). In addition to a traditional grading system, an ECTS compatible grading system (A to F) is also used.

Statement of Host Institution

A Statement of Host Institution or Certificate of Stay, stating the exact date of your arrival and departure will be issued to you on request. Your home University/Faculty may require that it's done in their specific form so please provide it to us.

Changes to Learning Agreement

In specific situations, you may need to make changes to your original Learning Agreement (i.e., if you have previously signed for an inactive course etc.). Please consult your professor or Departmental Erasmus Coordinator about course availability before making any changes. Changes to the original Learning Agreement must be approved not both by the responsible persons at your home University/Faculty and at FHSS Rijeka. The reason for the changes of the Learning agreement must be valid and legitimate. Changes can be made within 30 days of your registration at FHSS Rijeka.

Attending courses – student duties and obligations

You are required to fulfill additional obligations (lecture attendances, exam registrations, etc.) which will be defined by your teaching and administrative staff depending on the courses you have been signed up for. If you have any doubts about the obligations/procedures, feel free to ask our staff for further clarification! Students are usually enrolled in learning platform "MERLIN" so please ask your teacher to register you.

Timetables

At each department, you can obtain information regarding course timetables. For more information on the courses you are taking consult the course Professor or Departmental Erasmus coordinators!

Exams

Students are required to take exams (both oral and written). Please note that your assessed work should conform to the standards of academic honesty. Academically inappropriate behavior including incorporating other people's ideas or information in essays without acknowledging the source, having your assignment done by somebody else, or doing somebody else's assignment is strictly prohibited and sanctioned. These are considered serious academic offenses, and any suspected examples of these

infringements may result in penalties ranging from the loss of credit to the referral to the faculty disciplinary board.

If you cheat in an exam and/or any other assignment, the course instructor and invigilator will write the official report and start the disciplinary process. Our institution uses the "TURNITIN" software to check originality of various texts and prevent plagiarism. The service is designed to ensure academic integrity and prevent academic plagiarism.

Language proficiency: to be able to fulfil all your student obligations during the mobility, you are required to have a minimum level of language proficiency (according to the Common European Framework of Reference for Languages: Learning, teaching, assessment), which is also determined by the bilateral agreement signed with your home University. If necessary, FHSS may ask for an additional proof of your language skills!

Finishing your mobility and your departure from FHSS Rijeka

At the end of your mobility, you will have to prepare and collect all your documents to obtain confirmation that the mobility period has been completed.

You may need to collect your original Learning Agreement, along with possible Changes to Learning Agreement, and Statement of Host Institution (Certificate of Stay).

Once you successfully pass all the exams, you will be issued a **Transcript of Records (TOR)** from the Student's Office. TOR will be sent to you in scanned copy by the email and the original by the regular post to your home address (or you can pick it up in person).

All Erasmus+ information is also available at University/Faculty web pages and by the email.
